

Job Title: Grounds Maintenance Team Leader

Salary: Salary is dependent upon experience

Company: Tree and Lawn Company Ltd

Role type: Permanent

The Tree and Lawn Company have been providing specialist lawn care and management and tree surgery services across Essex and Suffolk for over 16 years. Our strength lies not only in our length of experience, but in our fully accredited and qualified staff who hold accreditations covering specialisms such as horticulture, the use of pesticides and all aspects of tree surgery.

We are looking to recruit an experienced and qualified Grounds Maintenance Team Leader to manage grounds maintenance projects and respective staff.

Main duties include:

- Landscaping duties including grass & hedge cutting, border maintenance etc.
- Laying turf, patios, fencing and general landscaping
- Lawn maintenance

Essential skills/experience/qualifications:

- Experience and knowledge of lawn maintenance
- Experience in using compact tractors and implements
- Personable – well presented, punctual, good mannered and respectful to all
- Team Leader and Team Player – can work autonomously as a Team Leader as well as working with others, helping motivate and encourage and contributing with their fair share of the work
- Quality minded - ensures that all work is completed to the best possible standard every time, whilst taking pride in all tasks and projects undertaken
- PA1, PA2 PA6 in safe use of chemicals

Preferred but not essential:

- Hard landscaping experience
- Trailer licence
- CSCS Approved / ROLO
