

# DIOCESE (CHURCH GROUNDS)

## Working With Local Diocese, Churches and Parish Councils

Most of the church grounds around the region are full of beautiful mature trees all requiring a considerable degree of maintenance to ensure the safety of visitors.

T&LC can provide a comprehensive maintenance package for church grounds (CommCare). Our packages are bespoke designed for each location, so we manage the effects of seasonal changes.

### Seasonal Maintenance Plans

T&LC work year round to maintain grounds around clients' properties. To help manage this process, we produce seasonal maintenance packages, keeping you abreast of the maintenance required and allowing you to spread the costs involved. Talk to us about setting up a maintenance package for you. Long-term, this can save money!

### Our Services Include:

- Tree surveys by qualified professional Tree Inspectors
- Building site and land clearance
- Tree felling, sectional felling, trimming, reducing and reshaping
- Stump grinding, stump removal and processing
- Hedge cutting including tractor flailing
- Landscaping, mowing, turf laying, weeding and general grounds maintenance
- Full planting design and planting services

**“I have been absolutely delighted by the improvement across the grounds since T&LC started regular maintenance three years ago. The service is impeccable, and improvements to the lawn areas and trees is extremely noticeable. Highly recommended.”**

**G. Turner**

### Who We Work With

- ✓ Borough and Parish Councils, Ministry of Defence & other Public Sector Organisations
- ✓ Healthcare Trusts, Private Clinics & Care Homes
- ✓ Property Management, Developers, Self-Builders & Housing Associations
- ✓ Education including Schools, Colleges & Universities
