Working With Property Developers, Property Management Companies, Housing Associations & Self Builders

The property sector is one of our busiest areas. We provide grounds clearance for new developments, planting schemes ready for the opening of new show homes or maintenance plans for the communal grounds around Housing Association properties. With the introduction of our comprehensive bespoke maintenance plan (CommCare), we help clients to save costs, providing a safe and aesthetically pleasing external environment around the developments and individual properties.

T&LC offer a swift and comprehensive service covering all site clearance work, maintenance, planting design, landscaping and tree surgery.

Our Services Include:

- Tree surveys by qualified professional Tree Inspectors
- Building site and land clearance
- Tree felling, sectional felling, trimming, reducing and reshaping
- Stump grinding, stump removal and processing
- Hedge cutting including tractor flailing
- Landscaping, mowing, turf laying, weeding and general grounds maintenance
- Full planting design and planting services

“I’ve been using your company now for three years and I am always impressed with your prompt, polite and professional staff that complete a first-class job where nothing is too much trouble, much appreciated.”

C. Thomas

Seasonal Maintenance Plans

T&LC work year round to maintain grounds around clients’ properties. To help manage this process, we produce seasonal maintenance packages, keeping you abreast of the maintenance required and allowing you to spread the costs involved. Talk to us about setting up a maintenance package for you. Long-term, this can save money!

Our staff are fully insured and qualified in all aspects of turf care, with professional qualifications including NCH Sports Turf Science, NCH Sports Turf Management, PA1, PA2, PA6 in safe use of chemicals and more. We hold qualifications in all aspects of Tree Surgery including the NPTC certificate for cross cutting and tree felling.
